The SAE Carolina Student SAE Chapters (Clemson, Georgia Southern University, USC, UNC-Charlotte, NC A&T, Duke, UNC Asheville, and NC State) will hold their annual meeting on February 22. They will present and exhibit their AeroDesign, SAE Baja, and Formula SAE Projects.

Please come out and see their SAE Collegiate Design Series vehicles and UAVs on display, challenge the students “one- on-one” with questions about the design, analysis, material selections, and fabrication techniques and then after dinner hear the teams’ formal presentations with time for more questions.

Sponsors Needed! We have sponsorship opportunities from \$250 to \$1,250 available. An excellent opportunity for your HR folks to do some recruiting of very invaluable talent.

On-Line Reservation: Please make your reservations online at www.Carolina.SAE.org. Click on Events tab at top and scroll down to Student Night 2019, and then click on Registration. Note: Registration must be completed by February 19, 2019. No reservations will be taken at the door.

Please plan to join us and support the students!
